

Cookie Policy

Effective date: December 22, 2025 · Lux AI Consultancy & Automation · <https://luxaiautomation.com>

1. Overview

This Cookie Policy explains how Lux AI Consultancy & Automation uses cookies and similar technologies on its website. We use cookies in a limited and transparent way, focused on usability and respecting user choice.

2. What Are Cookies?

Cookies are small text files stored on your device when you visit a website. They help remember settings such as language or appearance. Cookies do not provide access to your device, personal files, or contacts.

3. How We Use Cookies

We use cookies only to remember preferences you choose, such as your selected language and visual theme (light or dark mode). The website remains fully usable even if you reject preference cookies. In that case, your settings may apply only for the current session and will not be saved for future visits.

4. Cookie Categories

5. Technical Operation and Stability

Limited technical processing may occur to ensure website stability, security, and protection against misuse. This is part of normal infrastructure operation and is not used for advertising, analytics, or profiling.

6. Managing Your Preferences

When you first visit the website, you can accept or reject preference cookies. If you accept, your preferences may be saved for future visits. If you reject, the website continues to function normally, but preferences are not stored. You can also manage or delete cookies at any time through your browser settings.

7. Third-Party Websites

This website may contain links to third-party websites that operate independently and may use their own cookies. Lux AI Consultancy & Automation is not responsible for third-party cookie practices.

8. Updates to This Policy

We may update this Cookie Policy from time to time to reflect changes in website functionality or legal requirements. Any updates will be published on this page with a revised effective date.

9. Contact

If you have any questions about this Cookie Policy, please contact us at molla@luxaiautomation.com.

Cookies help the website remember your preferences and operate smoothly. The website remains usable even if cookies are disabled.
